FROM THE PRINCIPAL

24th January 2019

Dear Parent/Guardian,

As part of the 2008 Ulster Royal Schools celebration a School in Uganda was founded with the assistance of Fields of Life, a charity committed to sharing the Christian faith, by collaborating with local communities and churches in East Africa, to bring about positive change through the provision of quality education, clean water, health promotion and other community based projects. In 2015 a team of students and staff visited Uganda and were involved in several projects at the Bethel Royal School. This proved to be a wonderful time of encouragement and support for both the Bethel Royal School and the students and staff of the Royal and Prior.

The School is planning to return with a short-term mission visit of 12 students and 4 teachers during the period 23rd - 31st October 2019. The opportunity to volunteer as a team member is open to **CURRENT** Transition Year Students and **CURRENT** 5th Year Students. An information session will take place in W3 at 1:40 pm on Monday, 28th January. Application forms will be available at this meeting and they must be returned to Ms Bonner by 12 pm on Monday, 4th February.

Kind regards,
